## COCKTAIL MASTERCLASSES

A great team event. We have two options to choose from.

Our Cocktail Masterclass is hosted by our Head Bartender and you learn to mix, shake and stir your cocktails. The class includes five drinks and is a lot of fun. £60pp. Allow one-and-a-half hours.

In the Gin Blending Masterclass you will blend, bottle and name two of your own gins with the guidance of our Distiller. The class includes five drinks and 400mls of your own small batch gin to take home. £90pp. Allow two hours.

## OUR SMALL BATCH GIN

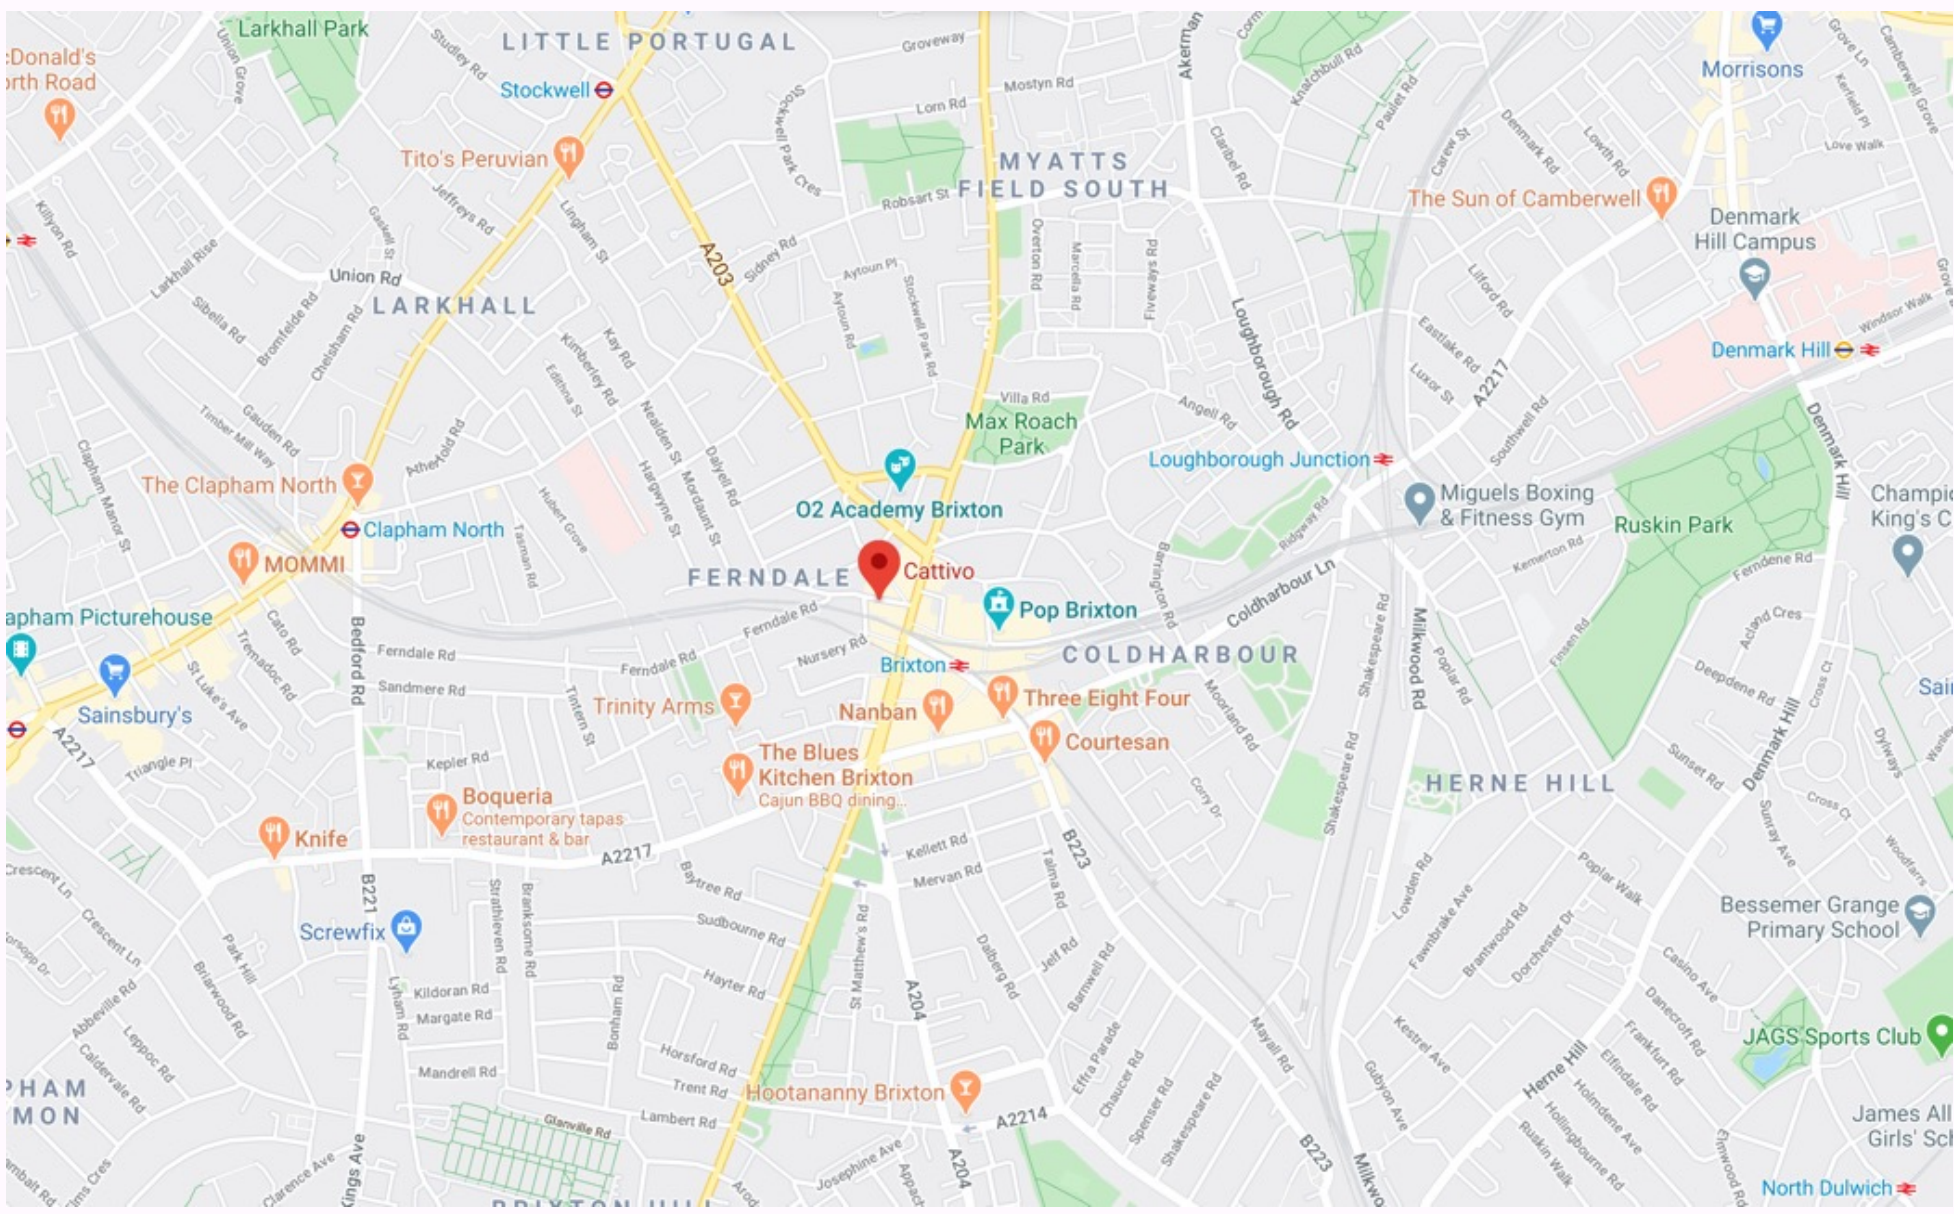

Todd, our Head Distiller, makes our small batch gin from our on-site still, Victor. We have six bars in London and each bar has its own still and Todd blends a subtly different gin for each.

Gin is available to buy at £30 per bottle. It is the perfect gift for clients, team or friends.

We can make bespoke batches of gin which you can personalise for your clients, event, wedding or corporate function. You choose the botanicals, name your gin, create personal gin labels and wax seals for your own batch. £30 per bottle to take away, but we can offer discounts on larger batches.
